D. STUDENT'S RIGHT TO CANCEL

1. A Student has the right to cancel their agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, a Student also has the right to stop school at any time; and has the right to receive a pro rata refund if the student has completed 5 weeks or less of the scheduled days in the current payment period in their program through the last day of attendance.
2. Cancellation may occur the first 2 calendar weeks when the Student provides a mandatory written notice of cancellation at the following address: Opportunity Junction, 3102 Delta Fair Blvd., Antioch, CA 94509. This can be done by mail or by hand delivery.
3. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
4. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the Student no longer wishes to be bound by the Enrollment Agreement.

REFUND POLICY

If the Enrollment Agreement is cancelled the school will refund the Student any money he/she paid within 10 days after the notice of cancellation is received.

In the event of a withdrawal, termination or leave of absence, tuition is refunded for the current session according to the following table:

| Administrative Assistant | |
|---|-------------------|
| Week of Instruction | Percentage Refund |
| 1 st Class session or seventh day after enrollment, whichever is later | 100% |
| 1-4 | 60% |
| 5-28 | 0% |

Any applicant may cancel enrollment prior to starting class by giving written notice to the school. If cancellation occurs prior to the beginning of the class start date, the entire tuition amount will be refunded.

WITHDRAWAL FROM THE PROGRAM

A Student may withdraw from the school at any time after the cancellation period (described above) and receive a pro-rata refund if the Student has completed 4 weeks or less of the scheduled days in their "Enrollment Period". **Enrollment Period** is defined as the time period encompassed by "Program Start Date" through the "Program End Date" as they appear on the first page of the Student's Enrollment Agreement. Any Refund will be paid to the Student (or third

party payer) within 45 days of withdrawal. If the Student has completed more than 4 weeks of their Enrollment Period all tuitions considered earned and the Student will receive no refund.

For the purpose of determining a refund under this section, a Student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The Student notifies the institution of the Student's withdrawal or as of the date of the Student's withdrawal, whichever is later.
- The institution terminates the Student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences and/or tardiness in excess of maximum set forth by the institution.
- The Student has failed to attend class after 6 days of unexcused absences. Students are expected to attend classes punctually unless extenuating circumstances exist (e.g. Verified cases of accidents, illness, or other circumstances beyond the control of the student).
- The Student fails to return from a leave of absence by the next planned session.

If the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal financial aid program funds.

FINANCIAL AID

This agency does not accept financial aid, but if the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student defaults on a federal or state loan, both the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.

Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.
